They also thought the brochure prepared by Dr. Bryan Taylor's Industrial Committee gave the town a piece of sales literature that of Commerce as they were Centennial -and would stack up with that of any other town that's saying something.

and make more money than started out on the drive to enlist members ciated the fact they were ably represented at the telephone company hearings in Dothport at a bargain price and was instrument al in locating Camp Rucker families in Elba.

Our straw poll of eligible members for

the Chamber of Commerce here led us to this inevitable conclusion. Folks are 100 per cent behind the organization and do not expect miracles from it. They will back it with reasonable budget when called on to do so. Elba will have a Chamber of Commerce in 1956 if the members of the Board of Directors, who each have the names of 10 business firms to solicit for membership will take two or three hours out of their busy schedules to work at this organized ef-

Members of the Board of Directors are K. D. (Tommie) Thomason, Dozier Roberts, Paul Cunningham, Lamar Rainer Jr., Stokes Haire, Henry Dorsey, John Taylor, Dr. Leslie Johnson, Dr. Bryan Taylor, Horton Fick. Dr. J. M. Kimmey, Coleman Redmon and

Oscar Vaughan Jr. We hope they will be as "revitalized" by their solicitings as we were. It is the most encouraging aspect of community life that we have encountered since coming to Elba. Folks are as much behind a Chamber

Further study of data from the 1954 farms which disappeared in the same period. was given by Mrs. J. B. Spurlin Census of Agriculture for Coffee County and the prayer was given by indicates that the region must have suffer-

geeding value of agriculture products sold also decreased from 780 in 1949 to 529 in

This means that most of the 741 operators who quit their farms during the past our years must have moved all the way out of Coffee County. Only 50 more did not eside on the farm operated in 1954 than in 1949. Ninety-five did not reside on the ling again, ma'am. The school farm operated in 1949 while in 1954 the

The fact that there are fewer with income exceeding value of agriculture products sold and fewer working off the farm shows that these 741 operators have not moved to Elba or Enterprise or some other town and sent money back to support the mestead. The majority have evidenttirely. Pastures to them appeared greener

creases in Elba, Enterprise and Kinston That song "How You Goin' to Keep Em Down on the Farm After They've Seen

Kinderheim (Paul's Care Orphan Home) will celebrate Christmas twice this year-thanks to intributions from Cpl. Hurd's nit, the 29th Transportation Battalion, On Dec. 6 the German's Santa Claus, Nickolaus, will visit the orphanage with andy, nuts and fruit. Then on hristmas Eve, he will return n American fashion, with toys, lotting and a holiday dinner Hurd, whose wife, Eloise, lives n Et. 3, Elba, is a cook with e battalion's 598th Transportation Company. He entered the army in March, 1954 and arriv ed overseas the following De cember. Hurd is the son of M & Mrs. Jim W Hurd of Jack. IT'S UP TO YOU Howard E. Kershner, L.H.D. CRUSHED AND BROKEN, this 16-family apartment house in Waterbury, Conn., was left high and dry after the rampaging Naugatuck River redected August 21. This was a sample of devastation in the flood which, according to the Red Cross, destroyed 1,326 houses and badly damaged 4,808. I disagree with some of my neighbors about religious beliefs. How can I prove which beliefs are right?
You cannot prove which viewpoint is correct in terms of material benefits, nor on the basis of
pure logic. Religion deals with
values which supercede present
day understanding.

Household Hints

After checking them against this year's mailing list, save old Christmas cards for a Yuletide game. They can be cut up like igsaw puzzles and used as games for children's or grown-up's parties.

Chicken should be bled thoroughly, chilled quickly in ice water, and wrapped in an airtight package before being frozen.

A sewing machine's wiring should be protected against any oil drip.

A sewing machine's wiring should be protected against any oil drip.

A sewing machine's wiring should be protected against any oil drip.

A first checking them against this year's mailing list, save old Christmas cards for a Yuletide game. They can be cut up like well as several important vitamins and minerals.

You'll get a better pie crusting at better pie crusting are cool when you put them into the shell.

A handy belt rack for the closet can be made with a plain bathroom towe' rack and Shocks. C'se the tops of the hooks with pliers after they've been slipped over the rod.

Lime frosting is especially good on plain, white cake. Make is the adding lime will be water and should be protected against any oil drip.

A sewing machine's wiring should be protected against any oil drip.
